Export Compliance and End Use / End User Certification

In the event that material could be Export Controlled, it is Commercial Aviation Resources policy to verify the end use and end user to ensure compliance with the Federal U.S. Export Laws and Regulations.

As the products we are purchasing are or may be for export outside the United States, we certify the following:

1. Commercial Aviation Resources will not sell, export, or re-export any products, technology, or software to embargoed countries and those designated to support terrorist activities such as **CUBA, NORTH KOREA, CRIMEA REGION OF UKRAINE, RUSSIA, BELARUS, IRAN, LIBYA, SUDAN, SYRIA, VENEZUELA, DONETSK PEOPLE'S REPUBLIC (DNR), LUHANSK PEOPLE'S REPUBLIC (LNR)** or to any country which engages in armed conflict with U.S. or to any other country to which shipment is prohibited by the U.S. export regulations.
2. Commercial Aviation Resources will not sell, transfer, export, or re-export any of these products for use in activities which involve the development, production, use or stockpiling of nuclear, chemical or biological weapons or missiles, nor use these products in any facilities which are engaged in activities related to such weapons.
3. Commercial Aviation Resources acknowledge U.S. Export laws and regulations prohibiting the sale, transfer, export or re-export or other participation in any sale or export transaction involving our products with individuals or companies listed in the U.S. Commerce Departments Table of Denial Orders, Entity List, Unverified List, the U.S. Treasury Department List of Specially Designated Nationals (SDNs) and Specially Designated Terrorists (SDTs) and the U.S. Department of State's Debarred List.
4. It is the intent of Commercial Aviation Resources to abide by such U.S. export laws and regulations for any products purchased from similar companies within the industry.
5. Commercial Aviation Resources is a distributor, a member of Aviation Suppliers Association (ASA), and our quality system is approved and on the FAA AC0056B registry, and as member of the commercial aviation industry we are buying inventory for your own stock to distribute/resell to airlines, MROs and other members of the global industry.
